“Janet Anderson, whose (nursery) JEA Perennials of Strathroy, Ont., is one of the premier growers in the country,” (Marjorie Harris, Globe and Mail, July 9, 2006)  
**We are a wholesale nursery that supplies your local independent Garden Centre.  
We have never before been open to the general public.**

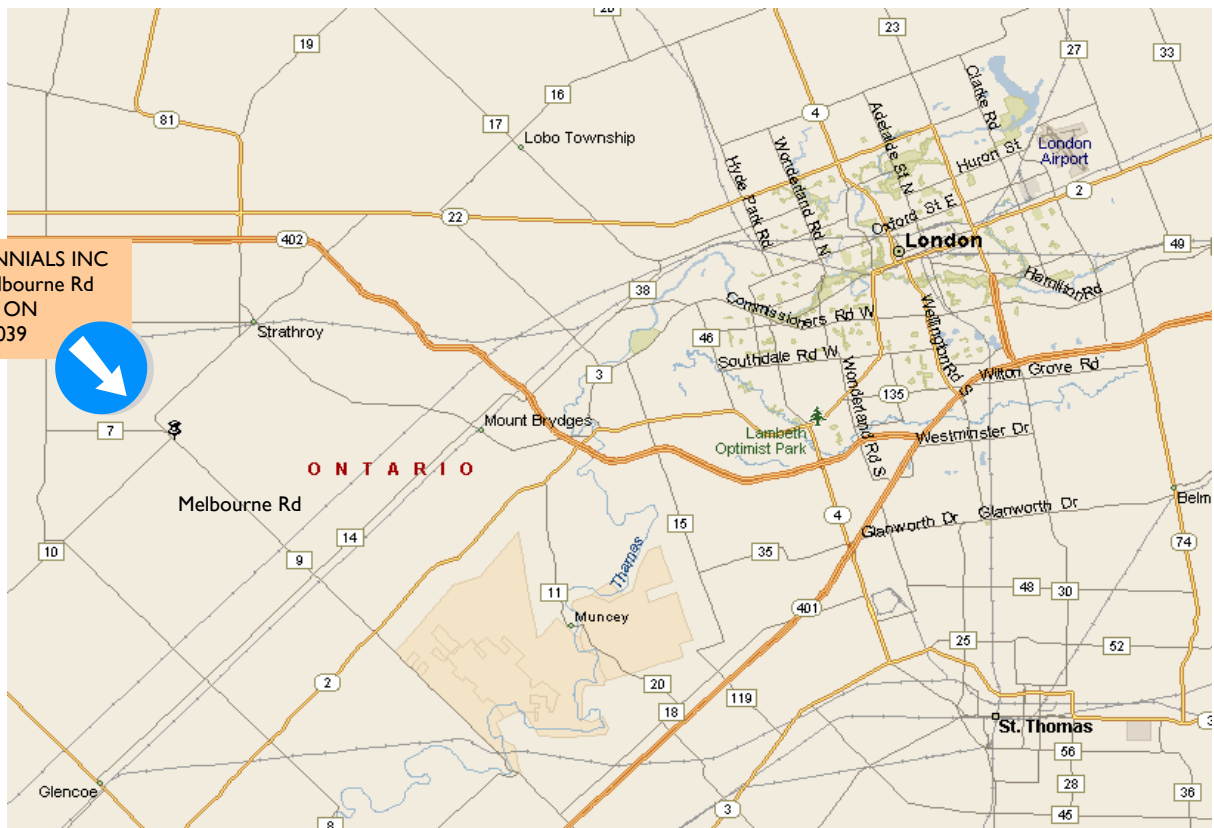

Visit the nursery and see where and how we grow our wonderful plants  
Meet Janet Anderson, and take home some Distinct Perennials just in time for fall planting.

GROWERS OF DISTINCT PERENNIALS

**Busses welcome** but please let us know when you are coming so that we can manage parking. Why not arrange for your Horticultural Society to visit as a group? Car pooling works too – just leave enough room for the plants – we don't want anyone to have to walk home because the back seat is full of perennials.
